CD AND DVD DUPLICATION SERVICES

Maple Logistics Solutions offers these features and benefits for your media duplication needs, whether for just a single disc or for larger quantities to replenish your inventory.

- ▶ Guaranteed 100% duplication quality
- ▶ Full-color thermal printing process on a white background disc produces a durable, vibrant color to enhance your marketing efforts
- ▶ Run lengths of 1 – 500 with larger quantities available on a quotation basis
- ▶ Your supplied master will be retained onsite for convenient reprint purposes
- ▶ Fast turnaround with one-stop shopping convenience
- ▶ A proofing service is included for quantities over five
- ▶ We can print-to-order or print-to-stock, helping to keep your inventory carrying costs down
- ▶ For existing customers with inventory, there are no shipping fees and no receiving fees to a Maple Logistics Solutions Distribution Center
- ▶ A variety of packaging options is available for all of your marketing needs; samples are available upon request
 - Self-sealing Tyvek envelope with a window
 - Translucent clear clamshell
 - Clear poly security sleeve suitable for adhering to a book cover
 - Clear poly security bind-in sleeve
 - DVD (Amaray style) case with four-color cover, printed from your print-ready PDF
- ▶ Custom labeling, such as to print and apply barcode labels, is available, as are other special packaging options on a quotation basis

Our vast experience with nearly 40 years in the fulfillment business and legendary customer service allows us to complete your order in 2 or 3 days, with most orders completed in a shorter time frame. Same day shipping is available in many cases.
